Summary

1. Machine Learning Intern at Corizo:

Conceptualized and implemented machine learning models, gaining hands-on experience in data analysis and model development.

Collaborated with cross-functional teams to address real-world challenges, showcasing adaptability and teamwork.

2. CS50 Introduction to Database Course:

I have built a solid foundation in database management, acquiring skills in SQL and database design.

Demonstrated proficiency in handling and manipulating data, ensuring a robust understanding of fundamental database concepts.

Completed the CS50 course, showcasing dedication to continuous learning and expanding technical expertise.

Experience

Student Intern

Corizo

Aug 2023 - Present (5 months)

I am currently doing my internship with Corizo in Machine Learning and data science

Education

Amrita Vishwa Vidyapeetham

Bachelor's Degree, Artificial Intelligence

2022 - 2026

I am currently doing my b-tech degree graduation from Amrita Vishwa Vidhyapeetham

Licenses & Certifications
